# **Cookie Rookie**

*I should know  
what's right and  
what's wrong. I'm  
a big boy now!*

*But I got into  
trouble today.*

*Mom saw me feeding  
Freckles chocolate  
chip cookies.*

*What's wrong with  
that?*

*I like chocolate  
chip cookies.*

*And my dog,  
Freckles, likes  
chocolate chip  
cookies too.*

*Mom's a really good cook, and they tasted soooooo good, so we ate a lot of them.*

*I didn't know the cookies were for the charity sale tomorrow.*

*I am thinking  
about what I  
did wrong.*

*Think! Think!  
Think!*

*Oh, I get it!*

*Maybe I should  
have asked mom  
first.*

*Then I could have  
tasted a chocolate  
chip cookie, without  
getting into  
trouble.*

*I guess that asking before taking is the right thing to do.*

**10**

*See, I am a  
big boy now.*

*I figured it out,  
all on my own.*
