Naughty Spells SORCERY FOR STRESS	110

Magic is real and wishes can come true!

Casting a spell is a beautiful and inspiring ritual that connects us to the endless power within the natural world and ourselves. I truly believe that our lives can be filled with miracles and abundance when we open our souls to the enchanted universe around us.

As every fun-loving witch knows, we could all do with a dash of extra passion and prosperity in our hectic lives. Goddess Power and Magick are not only about pretty angels and fairy wings. Just like the universal strength of Mother Nature, we can also connect with the 'Warrior Queen' – strong, protective and assertive, as well as the soft and nurturing 'Bright Maiden'.

And yes, sometimes even nice girls need a little 'Sorcery for Stress' to help ward off the occasional busybody or frog prince.

Of course, there's no real mischief intended or harm done towards anyone. It's all about rebuilding your self-esteem, opening yourself up to love and success, and completely letting go of any resentment and bitterness. The results are absolutely amazing! You'll be back to your perky self in no time, bringing closure to old worries, glowing with positive newfound energy and ready to magically take on the world!

'WITH THE WAVE OF A WAND AND A DASH OF SCENTED SPICE AND FLOWER, OUR SPIRITS ARE LIFTED AND DREAMS WILL COME TRUE; THIS IS THE MAGICK HOUR.'

PASSION POWER

about Magic is that the more you become centred in your own universe, the more others will want to visit your world. This spell is a great preparation to help loved ones spin back into your orbit.

During a quiet moment, light some vanilla incense and close your eyes for a few minutes while you breathe calmly and rid yourself of nervous thoughts and desires. Then repeat these magic words:

'I AM CONTENT IN MY OWN UNIVERSE, I CREATE AND GIVE LOVE AND FRIENDSHIP AND I WILL GROW AND LEARN TO KNOW MY INNER SELF.'

Next, light the incense and the candle and sit quietly nearby while you relax your body and focus your mind on the type of person you would like to attract, and repeat this incantation:

Take an aromatherapy bath or shower using geranium and lavender essences and fill your bathroom with candles. Spend time luxuriating in the warm water. After you have dried yourself with a fluffy towel, sprinkle lavender talcum powder over your body as you say:

'I AM WOMAN,
GODDESS OF

are glowing with a
warm golden light
which is filling all this
area with life and
warmth. Visualise that
you are pregnant as you
gently place the pearls
around your neck and

'AMBER SPIRIT OF THE LOST AND FOUND, SHOW ME THE WAY.'

As you turn you may feel the amber getting warmer at different points.
This will give you a hint as to where you might find the lost article.

Dreams of flying can be a beautiful connection with the spirit and can really unite your creative and intuitive energy. Before you go to sleep at night, place a feather and a small bell near your bed and sit in a comfortable

on a sunny Sunday morning and go outside and sit cross-legged next to a tree. Stay there for about twenty

minutes. As you sit on the ground, straighten your back and spine and centre yourself as you feel the weight of your body connecting with the earth, almost as if you had roots. At the same time, feel the top of your head becoming light and as you raise your arms in the air and repeat this incantation:

When you feel empowered enough, stand up and take a twig from the tree. Keep the twig near your front door.

'O DELIA, GODDESS OF THE HARVEST, GRANT ME THE STRENGTH TO GROW CLOSE TO MY FAMILY. LET THEM SEE MY TRUE HEART.'

Psychic power &

Even scientists are now accepting the fact that we are all surrounded by energy

waves. Our bodies and minds are actually made up of energy, so it does stand to reason that, with enough practice, we could all

become more intuitive and psychic beings. It only takes a few minutes a day to practise this spell but it works like a charm.

Sit quietly alone, relaxing your mind and body completely by listening to the sound of your breathing and heartbeat. Then, with your fingertips, lightly touch the centre of your forehead between your eyes and imagine that there is an opening there which is emitting a shaft of white light. Repeat these words:

3

flowers (try carnations, geraniums and honeysuckle) and place them around you in a circle. Sit in a comfortable position inside the circle and repeat this incantation:

If you have a garden, plant the flowers in your back yard.

If you observe the cycles of nature you'll notice that there is a time for stillness and hibernation, followed by a period of rebirth and action.

This continuous pattern is part of the normal ebb and flow of life, and the more you can listen to your instincts, the better will you understand that each phase is really a positive experience.

To help you feel empowered and balanced, take a shower and dress in a green shirt or dress. Let go of any negative thoughts and look up to the sky as you repeat this incantation:

PROBLEMS
FLOAT AWAY.'

Sprinkle a few drops of vanilla essence over the feather and then wave it near the candles (not too close to the flame) as you repeat the incantation three times. When you blow out the candles, say:

'AND SO IT WILL Come to Pass.'

Take the feather to work with you in your pocket or briefcase.

Casta

The modern

Runes have been
adapted from ancient

Nordic and Druid

symbols. As well as divining the future, they can be used to manifest a positive outcome with a spell.

The next time you cast your Runes, ask your question and then throw the stones until they give you a favourable answer.

Concentrate on seeing this positive outcome

Concentrate on seeing this positive outcome and then light a white candle and repeat these words:

Leave the stones untouched for at least an hour.

'FROM CAILLAN TO CALDER
BY ATLANTIS,
BEHOLD THE LIGHT OF TRUTH.'

Next, walk around each room in your home or office once in a clockwise direction while holding the magic wreath. Finally, hang the wreath near your front door as you repeat this incantation:

'COME IN FROM THE MIST OF SILVERY DEW, COME GATHER, DANCE AND PLAY, PIXIES, ELVES AND FAERIES ALL. LAUGHTER RINGS LIKE TINKLING BELLS.'

Money money money

YOU WILL NEED to gather:

- a piece of pyrite ('fool's gold')
- a green candle
- three coins
- · a piece of green cloth

★ To help attract money towards you, cast this spell on the night of a full or waxing moon. Purchase a small piece of pyrite from a crystal shop. Light a green candle and place the pyrite on a table with three coins nearby. Pick up the coins in your hands and try to feel a warm, soothing energy around you as you say: :

Then throw the coins onto the table as you focus your thoughts on the amount of money you desire. Wrap up the pyrite and coins in a green cloth, and as you blow out the candle say:

'AND SO Shall it be.'

'MAY ALL THAT I GIVE
AND ALL THAT I RECEIVE
RETURN THREEFOLD TO THE
WORLD AND THREEFOLD TO ME.'

Creative circle

★ To get your creative juices flowing, cast a Magic circle around you by standing

in a quiet space in your home. As you hold your arms in the air, turn to the north as you say:

'SPIRIT OF THE NORTH GRANT ME WISDOM AND TOLERANCE.' Then turn to the south as you say:

'SOUTHERN SKY, **PURIFY** MY THOUGHT."

As you turn to the east say:

'EASTERN DAWN, GRANT ME NEW IDEAS.'

Then finish by turning to the west and saying:

> **WESTERN** WATERS. GRANT ME FEELING AND EMOTION.'

Wish on a sta

YOU WILL NEED TO GATHER:

- light-coloured clothing
- three sticks of sandlewood incense
- pen and white paper

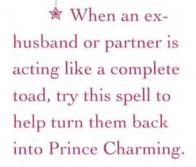

Why wait for a falling star to make your special wish? You can create your own lucky star to help fulfil your hopes and dreams.

On a Thursday evening, dress in some clean, light-coloured clothing and light three sticks of sandalwood incense. Draw a five-pointed star onto a piece of white paper and stick it onto the inside of your front door. Stand in the

middle of your home as you imagine that all your worries are streaming away from you like a river and in its place flows happiness and good health. Then place your right hand onto the lucky star and repeat this incantation:

'STELLA ANISE, SACRED STAR OF ENCHANTMENT, GLOW WITH THE VISION OF HAPPINESS AND FORTUNE FOR ALL OF US TO SHARE.'

The frog prince

3

Pour a few teaspoons of sand into the pouch while focusing on letting go of all your stress and resentment.

Then sprinkle in some violet petals and a handful of chicken feathers (stuffing from an old feather pillow will do fine). Tie up the end of the pouch with a green ribbon and write the frog prince's full name on the bag.

Then place the bag on top of a small mirror and say:

'WHEN YOU'RE
BEING A TOAD,
O BLESSED BE;
IN A MIRROR'S
GAZE YOUR REAL
SELF YOU'LL SEE.
SO BE IT AND
LET IT BE.'

Finally, sprinkle some vanilla essence over the top of everything, wrap it in white paper, and throw it in the bin.

SORCERY FOR STRESS

★ Empower

yourself with the all-encompassing energy of the 'Triple Goddess' by casting this spell during a new or waxing moon (when the moon is moving from new to full).

Take a relaxing bath or shower and anoint your body with your favorite floral oils and perfumes.

Remain undressed and go to your bedroom, where you light a stick of geranium or rose incense and a mauve candle. Sit in a comfortable position and breathe in the aroma of the incense as you concentrate on how all the different aspects of yourself help balance your life.

Then say aloud:

'I AM THE WARRIOR QUEEN
FULL OF STRENGTH AND
DEFENDING MY RIGHTS.
I AM THE YOUNG MAIDEN, GENTLE
AND NURTURING.
I AM THE MYSTIC GODDESS, SPIRITUALLY
WISE, FEMININE AND FREE.
I AM ALL ASPECTS OF WOMAN,
ALL IN PERFECT HARMONY.'

Road rage balm

YOU WILL NEED TO GATHER:

- two tablespoons of Daseline (petroleum jelly)
 - two drops of basil essential oil
 - three drops of sandalwood essential oil
 - two drops of bergamot essential oil
- a teaspoon of finely chopped carnation petals

You've been sitting in traffic for hours. You're late for

work, and someone starts screaming at you over a parking space.

No hassle, just dab on a little Road Rage Balm.

The best time to mix up a batch of Road Rage Balm is on a Friday, preferably during a full or new moon. Mix the ingredients well in a glass bowl while you charge the formula with protective magic by saying:

'I CHARGE YOU BY THE SUN AND MOON TO PROTECT AND DRIVE OFF
NEGATIVITY.
SPREAD
SOOTHING CALM
WHERE YOU
ARE RUBBED;
IT SHALL BE DONE,
O BLESSED BE.'

Then spoon the mixture into a small clean jar and firmly screw the lid on. Keep the jar in your car or purse and dab a small amount of the balm behind your ears whenever needed.

Holy **** smoke

having trouble giving up cigarettes, cast this spell on the day of the moon, Monday.

Gather together a deflated party balloon and a sprig of mint.

Place them on a flat surface or a table in front of you. Meditate for a few minutes while you release any tension from your mind and body.

Then hold the mint in your hand and breathe in the aroma. As you breathe deeply and evenly, repeat this incantation:

'LET ALL
IMPURITIES BE
CAST FROM ME
WITH THIS
CLEANSING
BREATH.'

Next, blow air into the party balloon until it is full and tie a knot in the end. Then open a window or go outside and throw the balloon up in the air as you say:

'SO WILL IT BE.'

Keep a fresh spring of mint with you always and whenever you feel a craving coming on, breathe in its aroma and repeat the incantation.

atal attract

★ If a femme fatale is trying to steal your lover, or an ex-partner is harassing you, you could sour their chances by performing this ancient spell.

Saturday is one of the best days for banishing or protection enchantments, so find a time in the day that suits you. Gather a lemon and a teaspoon of sea salt and place them on a table.

Sit nearby while you write the person's name on a piece of paper backwards nine times with all the letters joining into a long line. Next, put the paper into a glass bowl, sprinkle it with salt, then squeeze juice from the lemon over the top while saying:

'BITTER AND TART,
RIGHT FROM
THE START, GO
ELSEWHERE TO
FEATHER
YOUR NEST;

BY THE CALL OF THE CROW ON RAVEN'S NIGHT, LEAVE US BE! GO WALK IN THE LIGHT! IT SHALL BE SO, AND IT WILL BE RIGHT!

Leave the paper soaking overnight in the magic mixture. Then dig a hole in the ground near your home, pour everything in and cover with earth.

Witch's *** broomstick

We're all familiar with the image of a witch flying her broomstick, usually wearing a pointed hat. This image has become a cartoonish stereotype, but the broom is actually an important tool in Magick.

It not only cleans the floor of many a suburban goddess's temple, but it also sweeps out bad vibes and with the right incantation, helps to create an enchanted circle.

To begin, take a simple straw broom with a wooden handle and tie one gold and one green ribbon onto the handle while saying these words:

'MY HOME IS MY TEMPLE AND THIS BROOM IS MY LUCKY CHARM.' Then walk around each room of your home holding the broom. Imagine that you are sweeping away unwanted energy and clearing the way for the new. Finish by standing in your living room and sweep around yourself in a clockwise direction as you say: :

'HERE NOW I CREATE THE CIRCLE OF THE MYSTIC GODDESS. Brush good fortune and luck Our way. O blessed be.'

Susybody brew

To diminish the power of gossip and lies, cast this spell on a Sunday morning or evening.

Gather together a loaf of white bread, a piece of paper, a pencil and some chilli powder.

On the piece of paper, write down all the lies and rumours you've heard and then slice a hole in the loaf of bread and stuff the paper inside. Sprinkle a little chilli powder over the top as you say these magic words:

Then wrap the bread up in newspaper and throw it all away in the garbage bin.

'CLEAN AND CLEAR BECOME THE WORDS THAT ARE SPOKEN AS GOSSIP AND LIES. AS THIS LOAF BEGINS TO STALE AND DRY FAR AWAY DOES SLANDER FLY.'

pycat

★ Don't you just hate it when someone copies everything you do? They might copy how you dress or wear your hair, or even steal your original ideas or work. To protect your individual style and ideas, write the person's name on a piece of paper, or hold a photograph of the copycat as you meditate for a few minutes.

Imagine that a ring of

light is encircling you both like a hula hoop. Visualise the power of your words as an electrical force that sends karmic energy along the hoop of light. Then repeat this incantation:

'AS ARTISTRY IS USED IN VAIN,
AS INVENTIVENESS IS LOST AGAIN,
AS ORIGINALITY IS ONCE MORE
DENIED, AS STEALING THE VISION
IS NOW TRIED, SO LET IMITATION
BE EXPOSED TO THE LIGHT.'

Most magic rituals use tools like candles, aromatic incenses, herbs and spices. Each herb, colour and scent has its own special vibration which will enhance the individual power of your spell.
