

# Pete's Snack

By  
Aidan Aedy

Pete and his friends are having fruit for a snack.

There are lots of types of fruit to eat.

Grace likes to eat  
bananas because  
they fill her tummy.

Spencer likes to eat plums because they are tasty.

Kitty likes to eat pears because they are juicy.

Chloe likes to eat  
melon because  
they are watery.

Bob likes to eat grapes because he can pop them straight in his mouth.

Pete likes to eat  
apples, he  
munches them  
right down to the  
core.

The End

“Pete’s Snack” is part of a series of children’s books designed to teach children basic concepts like colours, shapes and animals.

These Books are meant to be read by parents to babies/toddlers or to teach reading to very early readers, where the reader will associate the pictures with the words.

I hope you enjoy reading them (or having them read to you)!
