<https://sites.google.com/site/reviversoftruth/some-so-called-hadiths-that-every-educated-muslim-on-this-planet-must-read>) – Dr. Hafiz Abdu Samad Ph.D

(Comparative Religions & History)

All 2.09 Billion Muslims; and Non-Muslims (who are interested in Theology) must read this message fully. Please forward this page to your relatives and friends. Allah Jalla Aala will reward you insha Allah for advancing this truth to others.

Abu Bakar 1st Caliph gathered disciples of prophet after death of prophet and said to them:

“You squabble among yourselves over hadith, this habit will increase as time goes by. Do not, therefore, narrate any saying of Messenger. If anyone wants to know, you can tell him the Quran is there between you and him. Whatever is allowed ought to be done, and refrain from what has been prohibited in the Quran.”

“If anyone inquires, you can always say tht we have the Holy Quran between us. Whatsoever it has been granted must be made permissible & whatsoever has been prohibited must be relinquished.” (Quoted in Tazkara tul Hifaaz e Zuhby)

“Abu Bakar RA brought collection of Hadiths and then he made a bonfire of them all.” (Quoted in Tudween e Hadith, page 285-88) -

“During Hazrat Omar’s caliphate the ahadith were in abundance. He made sure by putting the people under oath that whatever hadith the people had in their possession ought to be brought before him. As ordered, the public submitted whatever they possessed. He then ordered to make a public bonfire of those hadiths.”
(Tubqaat ibn Sa’ad, vol.5, page 141)

Muhammad Husayn Haykal was an Egyptian writer, a great Islamic thinker, journalist, politician and Minister of Education in Egypt. He wrote in his Book “The Life of Muhammad, Cairo. 1935”:

“Umar ibn al-Khattab once tried to deal with the problem of committing the Hadith to writing. The companions of the Prophet whom he consulted, encouraged him, but he was not quite sure whether he should proceed. One day,

moved by God's inspiration, he made up his mind and announced: "I wanted to have the traditions of the Prophet written down, but I fear that the Book of God might be encroached upon. Hence I shall not permit this to happen." He, therefore, changed his mind and instructed the Muslims throughout the provinces: "Whoever has a document bearing a prophetic tradition, shall destroy it."

Dr. Mohammad Hamidullah with two doctorates, D. Phil., D. Litt., Hl, academic author with over 450 books wrote in his Book "Introduction to Islam. Kuwait. 1977. pp. 34 & 35."

"Abu-Dhahabi reports: The Caliph Abu-Bakr compiled a work, in which there were 500 traditions of the Prophet, and handed it over to his daughter 'Aishah. The next morning, he took it back from her and destroyed it, saying: "I wrote what I understood; it is possible however that there should be certain things in it which did not correspond textually with what the Prophet had uttered."

“As to Umar bin Khattab 2nd Caliph, we learn on the authority of Ma’mar ibn Rashid, that during his caliphate, Umar once consulted the companions of the Prophet on the subject of codifying the Hadith. Yet Umar continued to hesitate and pray to God for a whole month for guidance and enlightenment. Ultimately, he decided not to undertake the task, and said: “Former peoples neglected the Divine Books and concentrated only on the conduct of the prophets; I do not want to set up the possibility of confusion between the Divine Qur’an and the Prophet’s Hadith.”

Qarza bin Ka’ab said it that once they commenced their journey for Iraq. Omar 2nd Caliph accompanied them till a place called Sira’ar, upon reaching there he inquired from them, “Do you know why I have come with you this far?” We replied, “For our welfare and in our honor!” He said, “Yes! And also that you are going, where the voice of Quran echoes like honeybees. Do not involve those people in Ahadith, and stop them from the Quran or narrate any traditions to them.” Qarza says, after that

day, they did not remember narrating any hadith again.
(Jamia al Biyaan il Ilm)

When Abi bin Ka'ab tried to tell some hadiths to Umar Khatab, Umar RA became so angry that he was near to order to beat him with stripes. Umar used to say "HasboNa Kitaab Allah". For us BOOK of Allah Quran is enough.

Once Abu Salma asked Abu Huraira; were you also reporting so many hadiths in the time of Umar Khatab, as you are reporting now a days? He replied, If I had done so at that time; for Sure Umar Khatab had ordered to beat me with stripes.

Khateeb Al-Baghdadi writes, and [so does] Al-Dhahabi in Tadhkira al-Huffaz, that 'Umar b. al-Khattab imprisoned three companions in Medina. These were Abu Darda, Ibn Mas'ud and Abu Mas'ud al-Ansari due to their excessive narration of traditions. Umar kept them under house

arrest in Medina and did not let them out for as long as he lived.

Furthermore, 'Umar commanded the companions to bring the books of traditions at their disposal to him. They thought he wanted to organize them in a way so that there would be no differences between them. They brought their books, he burnt them all in the fire.

The third Caliph, Othman did not pay any heed to hadith or traditions. Once Ali's son came to Othman with a script of command by Muhammad, about zakat. Othman, asked to be excused! (quoted by Al Sheikh Azhir bin Saleh).

Third Caliph Uthman RA used to reject hadiths that any one used to bring to him. Once Mohammad bin Ali RA took a paper to Caliph Uthman. In that Paper a hadith was written about Zakat. Uthman RA told Mohammad bin Ali "will you please keep me away from these hadiths" [Professor Allama Hafiz Aslam Jairajpuri]

Third Caliph uthman was heard on the Minbar(a stepped Chair in mosque from where Sermon of Firday is delivered) saying that no one has the right to narrate Hadith as were not narrated during the reigns of Abu bakr and Umar (Al-Tabaqat al-Kubra by ibn Sa'ad)

Fourth Caliph Ali bin Abu Talib gathered all the noble companions and said, "Disperse all of you and erase all Ahadith. Previous nations were destroyed for forsaking Allah's Revealed Books and following the collections of their scholars." (Mukhtasar Jaame' Bayan-il-'Ilm pg 33) – [Please read verse of Quran 25:30 too]

Fifth Caliph Ameer Mua'awiya used to tell the people in public and openly, not to narrate from the prophet, as reported by al-Khateeb al-Baghdadi in al-Faqeeh wal Mutafaqqih, and in Tadween al-Sunnah:

In "Tabaqat ibn Sa'ad", it is reported that Fifth Caliph Ameer Mu'awiya, when was the governor of al-Sham(Syria) prohibited anyone to sit with Abu Dhar al-

Ghifari (because he used to narrate too much like Abu Huraira who was rebuked by Ummar Khattab 2nd Caliph)

“Thirty years after the death of Prophet Muhammad [Peace be upon him], Chief Scribe for Quranic Wahi, Zayd visited the palace of Caliph Amir Moavia. One day Zayd told a very good story about Prophet. Caliph liked the story very much and called a person to write down that story But Zayd said, NO; Prophet strictly forbade us to write any of his hadith EXCEPT Book of Allah – Quran. Reference: Recorded in RAW HISTORY BOOK “The Sunan of Abu-Dawood” under report No. 1635 (3640)

Professor Allama Hafiz Aslam Jairajpuri was a great Islamic thinker. He was Distinguished Professor of Arabic and Persian at Aligarh Muslim University and Jamia Millia Islamia. Some excerpts from his Book Ilme-Hadith are as under:

A group of students of hadiths reached to the house of Hazrat Fazeel bin Ayaaz Abid-Hur-mein [died 187 Hijri]

but Fazeel did not allow them to enter in his house & Fazeel took his head out from the window of his house. Students of Hadiths saluted him and asked “How are YOU Ya Sheikh?”. Fazeel replied, From the side of Allah, I am very good but from your side, I am in serious trouble from the job in which you are. You have created a NEW Bid’at[Sinful invention] in Islam. Inna Lilla-hay Wa Inna Elaihay Raje-uoon”. You have left BOOK of Allah. If you have held fast BOOK of Allah, then your hearts get rescued from evils. Students said, “But we have read Quran already”. Fazeel replied, Quran is such BOOK which is enough for you and for your coming generations & then recited verse 10:57-58 of Quran.

10:57: O MANKIND! There has now come unto you an admonition from your Sustainer, and a cure for all [the ill] that may be in men’s hearts, and guidance and grace unto all who believe [in Him]

10:58 Say: “In [this] bounty of God and in His grace-in this, then, let them rejoice: it is better than all that they may amass!”

Imam Sufyan bin Aainiya [died 198 Hijri] said, I wished the ilme-hadith was in a big basket of glass upon my head & that basket had fallen down breaking into small pieces, so that no any buyer of hadiths would had come to me. Whenever Imam Sufyan became very angry from any evil person/enemy in his life, He used to pray to Allah, O Allah, make him Mohaddith [Imam of Hadith=Hadith collector/compiler]

Well known Companions of Prophet Abdullah bin Abbas & Abdullah bin Umar also used to forbid hadiths and used to say that past nations were destroyed because they started to follow hadith collections of their scholars and left BOOKS of Allah.

“It is written in famous Book Mukhtasir Jaamia Bayan Il-Ilm of Hafiz Ibne Abdul Barr [died 463 Hijri] that Dhaak Ibne Mazaham [died 105 Hijri] said that time will come when Quran will be placed in house corners covered with spidar net & will not be utilized by Muslims & people will run only after hadiths.

Suleman bin Hayaan Azwi[died 196AD] whom nick name was Abu Khalid Al-Aahmar said: Time will come when people will put Quran aside & will be bussy only in hadiths & fiqa.

Imam Daud Taa'i stopped to narrate Hadiths. When people asked, why did you stop? He replied that finally he realized that to narrate hadiths is against Haq.(mean it is a sin or a action of Satan)". ——— Quran 25:30 "And the Messenger will say, "O my Lord! These are my people, the ones who had disabled and made this Qur'an of no account." (MAHJUR = They had immobilized it like villagers who bind a cow by tying her front foot to her horn).

It was crime to possess any hadith in the time of Umar Khattaab RA. Umar RA threatened Liar Abu Huraira to stop forged hadiths or be banished.[Read more detail in this page. What Aisha RA & 2nd caliph Umar Khattab told to Abu Huraira].

“I have seen Ahadith in the Six Right Ones Books of Persian Imams that completely cancel out the Qur’an.”
(Nizaam-ul-Qur’an by Sheikh Hamiduddin Farahi)

One great scholar of his time “Abaid-Allah” sindhi writes:
“I feel shame to teach Book of Bukhari to neo-Muslim”

“Whatever utterances we heard from Muhammad PBUH we noted them down in writing. One day it so happened the Messenger appeared and asked us about the subject of our writings. We replied that whatsoever we hear from his Majesty’s lips we transform it into writing. To which he said, “What! Are you compiling another book along with the book of Allah?” Meaning in other words that this cannot be made possible. He then insisted and commanded us that we ought to keep Allah’s words pure and that we must not amalgamate them with any kind of ambiguities. So we made a bonfire of our notes and parables in an open field.” (Quoted from Tudween e Hadith, page 249)

In HISTORY BOOK “Sunnan AL-Daramy” it is written that Ali Ibn Abu Talib, the fourth Khalifa in one of his speeches said, “I urge all those who have writings taken from the Messenger of God to go home and erase it. The people before you were annihilated because they followed the hadiths of their scholars and left the book of their Lord.”

It is written in HISTORY BOOK named “Musnad of Ibn Hanbal” that Abdullah Ibn Omar said, “the Messenger of God one day came out to us as if he was going to depart us soon and said, “When I depart you (die), hold to the book of God, prohibit what it prohibits and accept as halal what it makes halal.”

It is written in famous book “Taq-yed Al-Ilm “that Abu Saeed Al-Khudry said, “I asked the Messenger of God a permission to write his hadiths, but he refused to give me a permission.”

In the book of Al-Bidaya wal Nihaya (ibn Katheer), it is written that 2nd Caliph Umar Khattaab RA threatened

Abu Hurayra to stop narrating hadiths or he will be chased after till the land of Daws (which is where Abu Hurayra is from)

Umar Khatthaab RA wrote letters to the Prophet's companions, who lived in other cities, asking them to destroy all the copies of hadiths in their hands" [Ibn Abdil Berr, Jamia ul Baya il Ilm wal Fazail.].

Umar said: Burn all the collections of hadith as these are like the Mishnah of the Jewish people." Umar drew a parallel between the Mishnah that had contributed to the corruption of Judaism and the hadiths. [Tabqaat Ibn Sa'd]

"Ibn Abbas used to say, regarding the prohibition of copying the hadiths: "The communities before you deviated from the right path because of books they wrote like yours." [Ibn Abdul Berr, Jamia ul Bayaan il ilm]

Some Companions came to report to 4th Caliph Ali Ibne Taalib and said: "The public is engrossed in hadiths." "Is that so?" asked Ali. The answer was in the affirmative. "I had heard the Prophet say that a mischievous dissension seemed to lurk ahead." I asked him what could that be and he replied: "The salvation is in the Quran. Those that went before you and those that will come after you are within reach of the Quran, the Book that settles all disputes; it is no joke, mind you. Anyone who abandons It will be subject to the wrath of God. Anyone seeking a truer path will go astray. It is the infallible rope of God. It is full of wisdom. It leads man along the right path. It is the Book that will surely lead you in the right direction, a Book with inexhaustible riches." [Quoted from HISTORY BOOKS of Sunnan-i Tirmizi, and Sunnan Darimi]

"During the first century of Islam & also thereafter the various political parties, the heretics, THE PROFESSIONAL PREACHERS (Mullahs/scholars), and even a number of sincere Muslims, all made their contributions to the growing rubbish-heap of false traditions (Hadiths)".

"They made deliberate changes to the text or the Isnad

of certain Hadiths & fabricated others from scratch for the sake of sectarian gain” Ref: (Hadith Literature by: Dr. Professor Muhammad Zubayr Siddiqi)

The Zanadika (Heretics) Hammad ibne Zayed, Abdul Karim ibn Abil-Awaja, Bauyyan ibn Saman & Muhammad ibne Said have invented over 19000 hadiths in the name of Prophet. Some even pious Muslims, Shia & Khawaraj produced fake hadith many times more than even Heretics. Abbasids & Ummayyads concocted countless hadiths to support their politics & sects. Ghiyath Ibne Ibrahim made intentional changes in hadith to please Caliph Al-Mahdi. Ref: (Hadith Literature by: Dr. Professor Muhammad Zubayr Siddiqi)

“Kulthum ibne Amral Attabi once collected a crowd round himself in a mosque & related to them – with full Isnad (chain of narrations) a hadith saying that he who touched the tip of his nose with his tongue might rest assured that he would never go to Hell. The audience showed their readiness to accept this forgery as a

genuine (shaih) hadith – by trying to ascertain their fate in this way” Ref: (Hadith Literature by: Dr. Professor Muhammad Zubayr Siddiqi)

“Sometimes in order to do mischief to people & gain their own ends, two storytellers would work together to forge hadiths. In this ways one of them once stood up at the end of a street narrating hadiths in praise of Ali RA, while the other stood up at the other end extolling the virtues of Abu Bakar RA. Thus did they make money from both the Shia and Nasibis & at the end of the day divided the proceeds equally among themselves” Ref: (Hadith Literature by: Dr. Professor Muhammad Zubayr Siddiqi)

“The most dangerous type of hadith forgers came from the ranks of devout hadith compilers themselves. Their sincerity & love for hadiths could not be doubted but many of them attempted unwittingly to kill the Ilm of hadiths by forging hadiths scribing them to the Prophet & spreading them across the Muslim community.

Nuh ibn Abi Maryam who had studied theology with scholars of great repute was known as Al-Jami on account of his vast & varied learning. He acted as judge at Merv during the reign of Abbasid Caliph Mansur. He related hadiths describing the virtues of various chapters of the Quran, But when he was pressed by authorities from whom he had recieved these hadiths, he confessed that he had FORGED them for the sake of GOD and to attract people to His book.

Aban ibn Abi Ayyash who was one of the most godly people of his time, was severely censured by Shu'ba ibn Al-Hajjaj and more than 1500 hadiths narrated by him on the authority of Anas were found to have no foundation.

Ahmed Ibn Muhammad Al-Bahili (D.275/888) was generally venerated for his piety but when investigated, his 400 hadiths which were related by him, were found all forged. He himself confessed to having forged hadiths in order to make the hearts of people tender & soft.

Sulayman ibn Amr was a contemporary of Ibn Hanbal and would fast by day & offer prayers by night, outdoing in his many of his contemporaries but he was found none the less as a liar and forger of hadiths

Wahab ibne Hafs was generally regarded as a virtuous Muslim. His asceticism was so acute that it is said that for 20 yrs he did not speak to anyone. Yet none the less, he did not hesitate to forge hadiths. Many other well-intentioned and outwardly pious Muslims such as Maysara ibn Abd Rabbih the PERSIAN, Ahmed ibn Harab the man of piety, Ubad ibn Kuthayr, Abd-Allah ibn Ayyub, Hushaym ibn Bashir, Ziyad ibn Abd-Allah & the followers of Muhammad ibn Karram Al-Sigistani (Persian) held that it was permissible to FORGE hadiths in order to attract people to good deed and warn them gainst evil. These type of FORGERS then wrought havoc with Ilm Hadith. Their activities were often very extensive indeed. Most of Hadiths concerning the advent of the Dajjal and the Mahdi toward end of time, are forged.

We are told that Muhammad ibn Ukkasha and Muhammad ibn Tamin forged more than 10000 hadiths. Abu Said ibn Jafar forged more than 300 hadiths in the name of Abu-Hanifa alone. Ahmed Al-Qaysi concocted more than 3000 hadiths. Ahmed Al-Marwazi forged more than 10000 hadiths. Furthermore, a large number of other forgers like Ziyad ibn Maymun, Shurayk ibn Abd-Allah, and Talha ibn Amr invented thousands of false hadiths, some of which are quoted in sermons and declaimed from the Pulpits (Member of Masjid= A stepped wooden chair on which a Mullah delivers his sermon) even today”. Ref: (Hadith Literature by: Dr. Professor Muhammad Zubayr Siddiqi)

O Educated Reader: Here again we ask you. Should you build your faith on Book of Allah which is complete and fully detailed; or should you build your faith on these fabricated 2.3 millions [hearsay+gossip]=hadiths? Our dear! in this scenario, u are the decision maker. So you decide yourself. We are true Muslims and so want to tell you the truth.

One of the most truthful Islamic Thinkers of history, German Muslim Scholar Dr. Murad Wilfried Hofmann writes:

“Given the fact that tens of thousands of fabricated hadiths circulated within two centuries of the Prophet’s death, we simply have to admit that the hadith and Sunnah is not as reliable as we would all wish it to be. Let us be cruelly sober: Someone clever and ruthless enough to fabricate the matn of a hadith – be it for political or “pious” reasons – would he not be clever and ruthless enough to also fabricate its isnad?”

Though we have already provided above more than enough referenced solid proofs which confirm again and again that It was illegal to write & record any even true hadith of beloved Prophet, by Prophet and four guided Caliphs; but let we also listen what top most Researcher Orientalists of Islam has said about this subject. Their opinion is also important because they do not belong to any evil non-Quranic sects such as Sunni Shia Wahabi,

Salfi, Deobandi, Brailvi etc +++++ NO END. So their research has no any sectarian bias.

One of the top most Researchers and orientalists of Europe, Goldziher (22 June 1850 – 13 November 1921), was a Hungarian scholar of Islam, He writes: “In those weeks, I truly entered into the spirit of Islam to such an extent that ultimately I became inwardly convinced that I myself was a Muslim, and judiciously discovered that this was the only religion which, even in its doctrinal and official formulation, can satisfy philosophic minds”. In Cairo Egypt, Goldziher even prayed as a Muslim. He further writes: “In the midst of the thousands of the pious, I rubbed my forehead against the floor of the mosque. Never in my life was I more devout, more truly devout, than on that exalted Friday.” But despite his love for Islam, Goldziher remained a devout Jew all his life. His affection for both religions led him to seek the cross pollination of ideas between the faiths.

In 1890 he published “Muhammedanische Studien” in which Goldziher draws a picture of a Muslim society where the fabrication of hadiths was a widespread

phenomenon, with people frequently producing fictitious hadiths for political or other purposes. He argues that different groups would either make up many hadiths that supported their respective positions, or modify existing traditions to justify their views, or else censor the hadiths that had been adopted by others. He also accuses Muslim scholars of relying solely on the isnad (chain of transmitters) without paying attention to 'obvious anachronisms' in hadith texts.

The Dutch orientalist C. Snouck Hurgronje (1857-1936), a contemporary of Goldziher, writes: "The hadith literature was a product of dominant groups in the first three centuries of Islam, and thus it reflected their views. The idea that the roots of these hadiths can be traced all the way back to the Prophet is completely false and that the life and teachings of the Prophet cannot be reconstructed based on these traditions".

Goldziher's view that Muslim scholars could not notice the 'obvious anachronisms' in hadith texts was also taken

up by the Belgian orientalist Henri Lammens (1862-1937). According to him: “Since the Muslim ulema (scholarly class) largely confined their efforts to the critique of narrative chains (isnad) and paid insufficient attention to the internal/textual critique of the hadiths, they failed to notice logical and historical impossibilities and anachronisms in the narrations.”

An other top Orientalist of Europe, David Samuel Margoliouth (1858-1940), Professor of Arabic at the University of Oxford, writes: “The concepts of infallibility (ismah) and non-recited revelation (wahy ghayr matluw) as theories were constructed to justify the position of fabricated Sunna as a legitimate source of the Islamic law”.

Note: Please note, that he was the biggest Criminal of Islam, Paul of Islam, Imam Shafi who was founding father of this forgery that produced Bida’a of Sunna and Hadith in Islam & opened door for Persian Zoroastrian Imams to forge Millions of lies against Islam in the name of Prophet

250-400 years after the death of Prophet. He was inventor of fabrications such as One Wahi is in Quran and other is out side the Quran in forged Sunna and forged Hadiths. He just fabricated this lie and preached this lie to blindly following Muslims with the full support of Pro-Persian and Pro-Zoroastrian GOV of Abbasid Caliphs. Quran 38_82_83 Joseph Schacht was a British-German professor of Arabic and Islam at Columbia University in New York. He was the leading Western scholar on Islamic law. He writes:

“There is no any evidence of legal traditions(hadith & suna) before Year 722AD in Islam & we can conclude that the Sunna or hadiths of the Prophet is not the words and deeds of the Prophet, but apocryphal material dating from later”

Fazlur Rahman, who was the Harold H. Swift Distinguished Service Professor of Islamic Thought at the University of Chicago wrote in his book Islam (1966) on the historic study of the Hadith. Summarising I. Goldziher’s scientific study of the Hadith, he writes:

But his argument runs, since the corpus of the Hadith continued to swell in each succeeding generation, and since in each generation the material runs parallel to and reflects various and often contradictory doctrines of Muslim theological and legal schools, the final recorded product of the Hadith, which date from the 3rd/ 9th century [over 250 years after the death of the prophet], must be regarded as being on the whole unreliable as a source for the prophets own teaching and conduct (1979:44)

Professor Schacht, who according to Fazlur Rahman is the first scholar to have undertaken a, “extensive and systematic comparison of legal traditions in their historical sequence, is unassailable scientific and sound in method” (1979:47-48), did not believe that the Hadith or the concept of “Sunna of the Prophet” were part of first century Islam. Shafi [150-204/767-819] introduced them, at the earliest, nearly two hundred years after the death of the prophet. The Koran states exactly the same. The Koran was the only “Hadith” that

was conveyed by the prophet and formed the guidance for the early Muslim community.

The lie of Science of Hadiths and Lie of Chains of Narrations:

Hadith believing Muslims make big claims on the so-called scientific compilation of Hadith. Let it be clear however, that no matter how scientific you are in your compilation of what is “false” to start with, the compilation cannot make it true. Even the criteria that is presented are un-objective, i.e. the truthfulness of a particular narrator with a story of how truthful he was. To repeat, falsehood is not converted to truth by its scientific compilation.

The scientific method demands that “subjective” proof i.e. how truthful a person was be ignored and the item tested on objective criteria. What does the content say?

To sum up: (Below are given many pictures. If text of picture is to be magnified, please press two keys at your keyboard: Ctrl and +

Whole Islamic law is contained ONLY IN QURAN.

All what is not given in complete and fully detailed Quran is NOT PART OF ISLAM.

Any ritual [like 5 daily rituals Namaz of Persian Zoroastrians], rite or sharia laws that has no roots in Quran, is foreign material that was blended in Islam during 508 years during Pro-Persian Pro-Zoroastrian Abbasid Caliphs from 750-1258 AD,

Do you believe in what Allah says? Quranic Verse 5:44 declares those persons “KAAFIRS” who make sharia Laws from other Books than Noble Quran. [So no any Sharia law is valid but from Quran].

Obeying the messenger is in upholding Quran, the whole Quran, and nothing but Quran.

A List of some innovations that were added in Islam during Abbasid Period from 750-1258 A.D

Must Read at:

<http://factszz.wordpress.com/2014/07/10/a-list-of-some-innovations-that-were-added-in-islam-during-abbasid-period-from-750-1258-a-d/>

ConspiracyAgainstQuran.png

Persian Conspiracy against Quran (Important)

=====

A sample of some Crap from Hadith Book of Bukhari and others.

Hope, it will refresh your dried up Imaan.

1- When Prophet Moses was once taking a bath in a river. he placed his clothes on a stone but stone caught his clothes and stone escaped away leaving Moses NAKED so that other people should see his nakedness [Bukhari]. So Stone was walking like a man. Fiction-Monger Bukhari must had been captured against the crime of spreading pornography!

2- When “angel of death” came to Prophet Moses to take his life, Moses slapped angel so strongly that angel lost his one eye. [Bukhari]. So here Jaahil Bukhari is telling you that Angels have physical eyes like we have. Satanic Mullahs of present day seem much less ignorant than that stupid Bukhari.

3- Prophet Abraham did his own circumcision when he was of 80 year age [Zoroastrian Surgeon Bukhari]. See dictionary to know what is circumcision. How Bokhari has served Islam by this manufactured crap?

4- Prophet Abraham was a liar [Bukhari]. [AstaghfirAllah]. Was Bukhari a Muslim? Allah witness in Quran that Ibrahim was extremely truthful Person. Siddiqan Nabiya

5- Abu Huraira said that Prophet said that when Adam was created by Allah, he was 60 yards (more than 180 feet) tall. [Bukhari]. Do you believe in this bull of Abu Huraira & Bukhari?

6- Said Abu Huraira that Prophet Said that When one person was sleeping on a OX, ox started to talk to that person that I am not for sleeping but for cultivation/agricultural work. Once a wolf snatched a sheep and shepard ran forward to rescue the sheep. Wolf talked to shepard and said OK I release her today but what about Saturday (sabit) when you will not be there and I will snatch it again. According to this funny Abu Huraira; Abu Bakar and Umar were also there and they agreed on this truth. [Bukhari]. Do you believe in this fabricated childish story?

7- God loves those who commit sins. Who does not commit sin, God does not like him [Sahee Muslim] – {Publisher Zam Zam Company Lahore Pak.}—> (See these Bloody Zoroastrian imams). These Criminal Imams were laying dynamite in the foundation of Islam but still our Jaahil Mullahs and their brainless pets kiss ass of these criminal hadith imams. Quran says, refrain from Evil & evildoers will be put in Hell. On the contrary, this Satanic Hadith Imam is encouraging Muslims to do evils so that

hell is get assured for them. Clearly taking revenge from Muslims bcaz It were Muslims who crushed their millennia Zoroastrian empire in 7th century.

8- Rats are one tribe of Jews [Bukhari] We want a debate between Bukhari and Darwin. Also to test DNA of Jews & Rats. LOL

9- Said Abu Huraira that Prophet said that If there were no Jews, meat was never going to decay/expire; if there was no EVE (mother of all humans), woman would had never betrayed his husband [Bukhari]. If there was no eve; then from where Jahil Bukhari would had brought woman that will betray him & how then Bukhari would had been born if there was no eve? Only a Mad idiot could fabricate such kind of nonsense.

10- Said Abu Huraira that Cock and Donkey see Devil Satan [Bukhari] . What this useless comic report has relation with Islam? That also mean that Bukhari was able to see Satan.

11- Sun every day arises from between two horns of Devil-Satan [Bukhari]. Idiot Bukhari deserve Noble prize of Physics for his this great finding! Note, The Biggest Scholar of Saudi Arabia Sahykh Baaz gave Fatwa in 1970. That Earth is flat & No one has gone to Moon & who believes that earth is not flat & American are landed on moon is Kafir & his Nikah has been broken with her wife automatically & people are not allowed to pray his funeral & forbidden is to eat or drink in home of that Kafir.

12- From where people catch FEVER? They catch it when HELL boils [Bukhari] – Our Bloody Brain-blind Mullahs have been telling us from centuries that Persian Imams, authors of Hadith books were great scholars and saints!!! This Bukhari must had been admitted in mental hospital

13- Said Abu Huraira that Once One JIN came to disturb Prophet during prayers. Prophet over took him and bound with a pillar so that people should had seen him

but later Prophet changed his mind and freed him [Bukhari]. JIN is unseen creature like Ghost but not Ghost. We can say, JIN mean UNSEEN Creature. Do U believe in this fake story made up for small children?

14- If you do not pray, Satan urinates in your ears [Bukhari]. As we know, majority of Muslims do not pray that what called 5 [Non-Quranic] prayers daily. So we suggest them all to wash their both ears with disinfectant soap when they awake up to get rid of smelly urine of Satan. Do you think that Prophet has said this?

15- Yawning is from Satan, so one must try one's best to stop it, if one says 'Ha' when yawning, satan will laugh at him. [His excellency Abu Huraira] – What is importance of this crap in Islam?

A few more examples of crap from the books of that evil shia/parsi/Jew imams is as under: From book of Bukhari Muslim, Ibne Maja, Nisae, Kaafi, Abu Daud, Ibne Ishaq and other criminals.

1-Prophet Married a girl at 6 or 9 yr when he was of 53 yr. (All 11 rabi of shia Bokhari are shia from Koofa & Basra Iraq. For proof, Open this following page and go to page 26: All Raavies were Shia

2-Prophet Ordered to take eyes of alive people out. (Quran says he is mercy for world)

3-Prophet advised to drink urine of camel. (What a fabricated shame)

4-Prophet used to suck the tongue of his wife when was fasting. (Were these criminals Imams even Muslims)

5-Prophet used to have intercourse with his wife during menstruation. (Were these criminals Imams even Muslims) – Quran forbids sex during menstruation. Do you things Prophet has acted 180 degree opposite to Book of Allah? NO WAY.

6-Imad Mahdi will drop (read truth at: Mehdi and Return of Jesus Reality

7-Eisa son of Mary went heaven alive and will drop again (see proof of truth at: Did Son of Mary die on Cross? This is the best scholarly Non-Qadiani page on world wide web on this subject. Do not miss to read it & understand it.

8-Prophet went to Heaven riding on a donkey (Boraq) to meet Allah and talked with Allah like a union leader to reduce from 50 prayers to 5 prayers. (read the truth at page 144 and 151 at: True History and False Beliefs.

9-Woman is evil (thu all are born from this evil?) Bukhari was also born from that evil. Does Quran say so? NO

10-A part of Quran is eaten by hungry goat. so Quran is not complete. (Were these criminals Imams even

Muslims? – these bloody bstrd were shia – it is very clear from this slander – bcaz this slander comes from Shia) – Some teachers of Bukhari were also Shia.

11-For a married Zani, punishment is stoning to death (Noble Quran orders 100 lashes only) – They fabricated/copied this story from corrupt Bible & Torah. Rajam (stoning) is not punishment of Quran/Islam but of Jews.#Great #Reading at:

<http://factszz.wordpress.com/2014/07/26/there-is-no-any-stoning-to-death-rajam-in-islam-who-implement-rajam-are-kafirs/>

12-Prophet used to catch beautiful women in order to fornicate them (We find this in the book of criminal Bukhari. Was Bokhari a Muslim?) Read full text of this forged hadith at: <http://is.gd/NlbhN3>

13-Prophet Murdered 600 men of Banu-Qareza (From the book of Jew Ibne Ishaq – Imam Malik declared Ibne Ishaq a liar Kafir) But all our evil mullahs and imams love this Jewish biographer Ibne Is'haaq.

14-Prophet ordered to pull two legs apart of a alive person to kill him. – Basrd Ibne Ishaq

15-Prophet had 11 (and some time 9) wives and he was doing sex with them with in one hour. and prophet had sexual power equal to 30 men. (Shia Parsi Bukhari) –
What is relation of this forged shameful lie with La ilaha IL-Allah?

16-Prophet snatched/married wife zainab of his said-son (This a fabrication, It never happened. Prophet himself arranged marriage of Zainab & his spoken-son)/ Then after divorce, he could nary. Quran makes clear, your adopted son is not ur real son

17-Dajjal will come – A lie forged by Christians and infused in hadith books

18-Bad luck is in dog monkey horse and woman. [Quran gives high respect to woman. woman is mother of prophets and saints. Prophet Eisa said, after GOD the most respected person near you is your mother.)

19-Allah laughs and wonders and Allah show his thigh to believer to recognize him. [Only a mad can say like this]

20-Allah has 5 fingers, on one is earth on other this planet on other is sea on other is tree (all bullshits of Parsi hadith Imams – names mentioned above).

21-Prophet said if you do not have wife, take a female pigeon (a bird) as your wife. Mean, do sex with female pigeon (Biggest Imam Muhaddith of his time Hafiz Ibne Qayyam) – What a shame – What a Shame – What a Shame – O my GOD! still our majority of Muslims follow these crap books and do not follow the AHSON HADITH (The Best Hadith) of Allah – Noble Quran which is complete and fully detailed Book of Allah.

Dear readers!

We can post here other hundreds of forged carp of Persian Zoroastrian-shia Imams who were authors of Sihae Sitta six Hadith books but we do not want to make this page much longer. Dear reader if you also read Hadiths book of Shia called “Kaafi”; we are afraid you will go in coma or get heart attack. Just one sample from shia’s evil book of hadiths “Kaafi”: “Abdullah bin Sabah approached to Ali ibne Talib and said him “O Ali, You are real Allah”. [Sihae Sitta = six authentic books of hadith] – Sihae is plural of Sahee and Sitta mean six in Arabic.

Callinred.png

Challenge.png

Allah Jalla Aala says repeatedly, He is protector of His Book but Persian criminals Bukhari, Ibne Maja, & Imam Muslim say, verses of RAJAM (stoning) and of suckling of chest of woman by any Adult-man for 10 times are missing from Quran!!

HowQuranFD01.png

We can below prove logically with sensible argument that Persian Imams such as Bukhari, Imam Muslim, Ibne Maja, & Abu Daud etc all were big liars and their books are full of despicable slanders and attacks on Quran, Prophet and Allah. These Imams were hidden Pro-Shiite Zoroastrians. Proof: Page 151 at: <http://goo.gl/lbclU>

Allah Jalla Aala Says in Quran repeatedly that Hu himself is guarding his Book Quran and no any evil even can touch his Book from any side. We know it is safe in the brains of millions Hafiz of Quran. But Bukhari says Quran is incomplete.

Now can a real dedicated Muslim Imam attack Quran as Bukhari has attacked? Never. This is one million Percent proof that Bukhari was not just Non-Muslim but was an enemy of Islam [a disguised Zoroastrian under status of a Muslim Imam]. And all other Persian Mullahs were even worse than Bukhari. But will you not wonder that still majority of blindly-following so called Muslims will be ready to cut your neck if you tell them this truth that we have told you just now.

Allah says that he is protector, preserver and explainer of Quran. Does Allah say that like Quran; Books made by Persians imams are also protected by Allah? NO

Our dear: Truth is that, that when we read their so labled as hadiths [un-sensitized] books fully; it becomes clear that not only they were not Muslims but were in fact THE BIGGEST ENEMY of Islam. They have insulted Allah and Prophet + Prophets countless time in their books. Their hundreds of thousands reports so called hadiths CLEARLY contradict Quran.

We can prove in countless ways that these Imams of Persia who fabricated so called hadith books 250~400 years after prophet were ENEMIES of Islam. However just one following point will be more than enough to prove that so called Imam Bokhari was chief of Persian Parsi Criminal Imams and was an enemy of Islam:

If we read Noble Quran, Allah says in Quran at many places that his BOOK Quran is the best hadith, is protected by him from corruption, is preserved in Louhe-Mahfooz & Allah has taken himself responsibility to Protect Quran. Moreover, Allah says, that no any evil can even touch Quran from any side. Due to lack of space, we quote below just one but very strong verse of Quran: Allah says:

“Behold, it is We Ourselves who have bestowed from on high, step by step, this Quran and, behold, it is We who shall truly guard it [from all corruption]” [Quran 15:9]

And also, not just Muslims but even top Non-Muslim scholars through out history has accepted that Quran is not changed, & what Quran we have today in our hands is same Quran that was in the hands of Our Prophet. Note that in all ages, Quran was memorized from cover to cover by many Huffaz. Today there are about 50 million Huffaz in World. Do u not see, how Allah has protected his book? Let assume, we throw all books of

this world in Sea. Quran is only the book, that will be right back after a hour. Just bring any one Hafiz and print whole Quran again. So Muslims and non-Muslim Scholars agree that Quran is the purest un-changed scripture in world.

But Mr. Imam Bokhari tells us opposite and says that Quran is incomplete so is un-reliable because according to Mr Bukhari “Stoning verse” for Rajam is missing from Quran [AstaghfirAllah]. So in this way he has attacked Quran and Islam in the worst possible way. This proves, he was the biggest enemy of Islam. Now it is up to reader, if he wants to believe what Allah says about the protection of his Book, or Bokhari who says, Quran is incomplete & so un-reliable. Pls. Note in same way shia talk. Also note that some teachers of Bokhari like Shaykh Fadal bin Wakin were Shia. Bokhari fabricated this hadith so that Muslim should not trust in Book of Allah – clear conspiracy. Shia speak in same tone of Bukhari and say, their 12th fictitious imam Mehdi will bring complete Quran. From here no any doubt is left over that Bukhari was a Pro-shia Zoroastrian.

Now if a brainwashed fanatic is reading this page; he will first of all say, [as this is their normal way]; that this hadith of missing stoning verse is not in Bukhari and we are telling lie. This kind of attitude of Mushrik Hadithers has become a fashion now-a-days But we can find that hadith in book called Sahih Bukhari every where. One of the authentic source is at:

[Volume 8, Book 82, Number 816 : Narrated by Ibn 'Abbas]

http://www.sahih-bukhari.com/Pages/Bukhari_8_82.php

Note: In Quran Punishment for married or unmarried Adulterer is 100 stripes. Stoning that Bukhari talked about in fact exists in Jews Books. When in Quran it is clear that Punishment for married or unmarried adulterer is 100 stripes; then how Allah can say , it is

stoning to death [Rajam] because it will contradict with the verse that says it is 100 stripes.

Quran 24:2: Male and female [Human] guilty of adultery or fornication,- flog each of them with a hundred stripes: Let not compassion move you in their case, in a matter prescribed by Allah, if ye believe in Allah and the Last Day: and let a party of the Believers witness their punishment.

Notice here in verse 24:2, Allah did not make distinction between married or un-married fornicator. So punishment for married or un-married is same.

Now one cannot keep AT THE SAME TIME, a light switch ON and OFF. either it is ON or it is OFF. When Quran clearly says, that punishment for [married or unmarried female or male] an Adulterer is 100 stripes; then stoning to death [Rajam] punishment for an adulterer [married or unmarried female or male] is out of question. This is

why, this Jewish punishment of Rajam [Stoning to death] does not exist in Noble Quran.

Quran supersedes past scriptures & is ultimate reference:

Quran [5:48] (O Muhammad) Then we revealed to you this scripture (Quran), truthfully, confirming previous scriptures (not forged ones), and superseding them. You shall rule among them in accordance with GOD's revelations (Quran), and do not follow their wishes (of Jews & Christians) if they differ from the truth that came to you (which is Quran)

Quran is final testament of Allah Jalla Aala to mankind and Quran has clearly superseded the punishment of Rajam [Stoning to death] of Torah [Jewish Book of Moses - Deuteronomy] by 100 stripes.

But Mr Bukhari & so our majority of brainless Mullahs tell us, we should forget Quranic punishment, and should follow the punishment that were given in the corrupted books of Jews. Mr Bukhari copied punishment of Rajam from Book of Jews but declared it as an Hadith & added it in his book labeled by fanatics as Sahih Bukhari. Now please tell us honestly:

Could prophet say an hadith of Rajam that CLEARLY Contradicts Quran? NO NO NO.

It was duty of all prophets to establish laws as per BOOKS of Allah, the BOOKS that were sent to Prophets by Allah [Ref: Quran verse 2:213] & it was not duty of Prophets to invent their own hadith-laws, nor any prophet told his followers to follow other books than BOOKS of Allah.

“Quran 2:213 (Asad) ALL MANKIND were once one single community; [then they began to differ] whereupon God raised up the prophets as heralds of glad tidings and as warners, and through them bestowed revelation from on high, setting forth the truth, so that it might decide

between people with regard to all on which they had come to hold divergent views. Yet none other than the selfsame people who had been granted this [revelation] began, out of mutual jealousy, to disagree about its meaning after all evidence of the truth had come unto them. But God guided the believers unto the truth about which, by His leave, they had disagreed: for God guides onto a straight way him that wills [to be guided].”

In fact, Quranic verse 5:44 clearly says that who makes sharia laws from other books than Quran are “Kaafay-roon” Kaafirs. So who makes Sharia laws not from Quran but makes from Hadiths [That were in fact never said by Prophet] books; he/she is a Kaafir. Pls read last part of Quranic Verse 5:44. Honestly tell us now: Was Mr Bukhari a Muslim or an enemy of Islam?

.....for they who do not judge in accordance with what God has bestowed from on high [Quran] are, indeed, Kaafirs!

Quran41_42.png

Read commentary on verse 41:42 at:

<http://www.islamicity.com/Quransearch/shownote.asp?chap=41¬e=35>

Also read below how another Criminal Persian Hadith Imam [disguised Pro-shia Zoroastrian] has attacked Noble Quran

How another Criminal Persian Parsi uncle of Mushrik hadithers, a Persian Hadith Imam is attacking Quran & Islam by fabricating an other report in the name of Hadith: This Imam is saying that verse of Rajam [stoning] was eaten by goat of Aisha RA so Quran is incomplete as this verse of Rajam & Woman's chest suckling by any wondering adult thug are Missing from Quran: Also this Criminal Imam is telling u that all hadither's wives, sisters & daughters are allowed to call any street wondering adult thug & can invite him to suckle on their chest 10 times.

Reported 'Aisha (RA): 'the verse of stoning and of suckling an adult ten times was revealed, and they were (written) on a paper and kept under my pillow. When the Messenger of Allah (PBUH) expired and we were occupied by his death, a goat entered and ate away the paper.' Reference:(Sunan Ibn Majah, Hadith 1944)

But still brainless Hadithers claim that these Books called Sihae-sitta [6 books of Hadiths] are the most correct books after the Quran. Have these Mushrik hadithers Any honor? Any Sharf, or any shame? NOT AT ALL.

Very Important Note: adult breast feeding

Please note that this Persian hadith Imam of Sihae-Sitta "Ibn Majah" [disguised Irani Kafir Zoroastrian] is trying to destroy the foundations of Islam by announcing that 1- Quran is incomplete book as verse of Rajam is missing from it and 2- Any Muslim woman can invite any Adult man to suckle his chest 10 times. Now you know & we know that when a street walking adult-man will be

invited by a woman to suckle her chest; then what will be the next step? After suckling her chest, he will unwear her pants and will do Zina with her. Pls note in this fabricated hadith, Persian hadith Imams has emphasized to suckle Woman's chest 10 times in order to make sure that woman will get hot enough; so that she will be ready for next step Zina. That what was planning of these Persian Criminal Imams – the enemies of Allah and Rasool and Quarn and Islam; but majority of we foolish Muslims consider them Saints even with out reading their evil work so labeled as hadiths books, fully. Prophet in fact never said these hadiths that their evil books contain; because in the time of Prophet and four guided Caliphs, it was FORBIDDEN to write any true-genuine hadith of Prophet. An educated and honest Reader knows well, that Quran forbids these evils like adult chest suckling. So when Quran forbids evils; how Prophet can order for doing an evil of adult breast feeding? Never.

Let now we see another Persian Pro-Shia Criminal Imam of Hadith called Imam Muslim

It is written in his evil book labled as sahih Muslim:

“A’isha (Allah be pleased with, her) reported that it had been revealed in the Holy Qur’an that ten clear sucklings make the marriage unlawful, then it was abrogated (and substituted) by five sucklings ... (Sahih Muslim, Hadith 2634)

There is no any abrogation in Quran & Quran is preserved & protected by Allah but These all Persian criminal Imams were enemy of Islam [disguised Irani Fire-shipper Zoroastrians] who insulted Islam in order to take revenge from Islam beacuse Arabs crushed their Persian Sassanid empire in 636AD to ground Zero. Another Bitter Sabaite Pro-Shia Monafik Imam “Ahmed Bin Hanbal” has spread same evil story too

Besides, In order to make whole Muslim Umma, a Nation of Zani-Fornicators, these Persian Criminal Hadiths Imams have also fabricated many so called Hadiths of

Muta or Mu'tah which is practiced by Shiite cult from 1200 yrs. What is Muta?

If a Shia thug wish to commit Zina with a shia woman including her daughter, mother, Aunt, niece, sister; he can make one hour or one day or one month [as it happens in Iran every year with millions of shia Adult girls] sex contract with her [Shia say it Muta Nikah], pay her dowry i.e 5 dollar and then he does Zina with her. After one hour, he will tear the agreement & that's it.

Now read exact same words that we listened from a shia scholar about muta.

we has once asked a Shia Scholar about detail of Muta; who said that any Shia man can have sex [Zina] under Muta with shia woman and also CONDITIONALLY even with his real sister, mother, Aunt, daughter, Niece etc. When we asked; Sir! what u mean "Conditionally"; he said, before staring Muta he must use condom or silk cloth to cover his male organ so that pregnancy can be avoided and He said, there is no any punishment for this

abominal animal act. you also can watch this Fatwa of that shia scholar at Youtube. Also note, that these fabricated Muta hadiths can also be found in various versions in Sunis six hadiths books too because all 6 Hadith Imams of Sunis were also born and lived in Shia land of Persia and in fact they were disguised Pro-shia Zoroastrians, enemy of Islam hidden under Taqiya. But fortunately, except shiites no any other sect practice Muta-zina. You know that there is hard punishment for this kind of Zina in Quran. Shia Cult also try to twist the meanings of some verses of Quran to validate that Muta-Zina. Noble Quran has clearly explained just one standard method of Marriage, and Quran does not have double standards.

This is great pity that majority of our Umma has been brainwashed from past 1150 years from one generation to next generation, and now majority of our Umma [Muslim Nation] considers these Irani hadith Imams as truthful big saints but in fact they were not just Kafirs but were in fact enemy of Arabs, Rasool, Allah, Quran and

Islam. And it is very easy to judge them from their evil books PROVIDE THAT, if one reads them fully.

But one may ask why they turned to enemy?

We have already given answer in middle part of this page but we are repeating it again below for you as it is important to know:

Answer is; that in 636AD there were two super Powers, one Romans and other Persian Sassanid [Fire-shippers] Parsi Irani Empire. In same one year of 636 AD, Muslims crushed that both superpowers with just gap of 3 months for each, in the time of Ummar The Great. In the field of Qadsia, about 30000 strong Muslim Army crushed 60000 fully & heavily armed army of Persians. Read detail of this battle at: <http://goo.gl/H6D8G>

After this crushing defeat, Persian empire crumbled and Persians felt deep insult and humiliation for their defeat and started to plan to harm Islam by conspiracies. Detail is given at: <http://goo.gl/qqwCu> and <http://goo.gl/pCH8B>

They claimed they have collected millions of hadiths and after scrutiny they have selected only sahih hadiths, But Persian historian Kasam Zada & others write; that in fact they never collected a single hadith but fabricated them with fabricated chains of narrations during 750-1258 AD when Persians were full incharge of Abbasids

Government. So they got more than enough time around 508 years to deface Islam completely and during that 508 years, they fabricated books of hadith and Suuna [that we see today], In fact before 672 AD, Muslims used to have all laws from Quran and they were not aware about the terms of hadith and Sunna until Persian Imams under patronage of Persian-Abbasid Government fabricated them. Their target to make these fabricated books of hadith and sunna were:

- 1- To break the unity of One Umma [Muslim nation] that was one umma under the roof of one Quran

2- To create sects through conflicting fabricated hadiths in one Umma so that they should be fighting each other always [and that we see from 1150 years].

3- To disable Quran, so that Muslims should forget Quran and read their fabricated hadith books only. As it is happening today. In jahil Muslim societies such as in Pakistan, in fact sects give first position to their evil books of so called Persian hadith and 2nd status to Quran. For example if you tell Muslims of today that Quran forbids sects in Islam in more than 5 verses and declares sect maker as Mushriks and out of Islam; we will get an immediate ready-made answer from that Jahil Muslim that no no, there is sahih hadith that tells there will be 73 sects in islam. Now here explicitly he is telling you to forget what Quran says and follow the fabricated Persian hadiths that they designed in order to validate split of Muslim Umma.

4- So far these Criminal Persian Imams are succeeded in their all evil strategy. We are ~57 countries and our all

GDP is less than the GDP of Singapore that is a country of mosquito size. We are ~57 countries but crusaders and enemy of Islam are killing us, beating us, raping us everywhere on this planet. Because through hadith fabrications, Muslim umma is split into over 500 sects and in this way we have violated the law of Quran that says 'be united and you all catch the rope of Allah with strong grip—> be one umma – be united. Allah has made it clear in Sura Ra'ad of Quran that a nation that does not try to change its condition, Allah also does not change its prevailing condition.

Real Islam is so simple so simple; that what Quran orders to do, do it; What Quran forbids to do, do not do it, and about what Quran is silent is optional to you and what is optional to you, decide it with your best sincere judgment under the light of Quranic explicit and implicit laws[Fiq Quran}. Quran explains itself so you do not need any Persian hadith or millions of man-made Tafsirs to understand Quran. Read How Quran explain itself at: <http://goo.gl/rIC5A>

It is simple to understand that what Quran has not made Fard/mandatory on you is not FARD upon you.

Also, you will know, how another Criminal Persian Imam “Abu Bakr Abd-Allah Abu Dawud Suleiman” [Son of Abu Daud] have repeatedly attacked Quran in his very popular Book [among Jahil Mullahs and Enemies of Islam] “Kitab Al-Masahif” that he invented ~ 300 year after the complete landing of Noble Quran. He has fabricated many stories against Quran in order to discredit and insult Quran. But the Most truthful witness is the witness of Allah & not Shaitan son of Abu Daud; and Allah says in Quran that Quran was fully downloaded to Prophet’s heart in Ramadam and was FULLY present in Book form in the life of Prophet with same arrangement that was downloaded by Almighty upon the heart of Prophet thru Wahi. Just see first verse of Sura Bakra “Zali-kal Kitaab”. Allah is telling “THIS BOOK”. How you can be Quran then a Book if it was written on bones, leather skins & on pieces of stones etc as Persian Criminal Ibne Daud has advertised in his evil book? All letters that Prophet wrote to Romans and Persian Emperors were on paper, then

why Quran the most important final scripture not on paper?. Also note that Paper was invented 800 yrs before the landing of Quran But Persian criminal Imams have fabricated many stories to discredit Quran by saying that Quran was assembled by Abu Bakkar or by Uthman or by Hafza etc all lies. O Muslims! for GOD sake, awake up now.

QuranProtected.png

SummaryofTruth.png

QuranisbestHadith.png

Callinred.pngCallinred.png

Now let we read what Allah says in Quran:

Whole Islamic law is contained in Quran. Quran is THE BEST HADITH of Allah[39:23] & also is only the AUTHENTIC HADITH OF Prophet[69:40-46].

The messenger's duty is only to convey the Book [5:102; 16:35; 16:82; 24:54; 36:16-17; 14:52 etc.] + [2:213, 5:44]

The Koran is in detail & is made Easy to understand & memorize [6:114; 2:159-160; 10:37; 11:11; 41:1-3; 22:16; 6:38; 12:111; 14:52; 17:89; 75:16-19; 18:54; 20:113; 39:27-28; 54:17; 25:33; 16:89; 54:17; 54:32; 54:40 etc.]

Extra-Quranic Hadiths are an innovation [6:112; 22:52; 17:73-77; 10:15; 16:116; 42:21; 10:69-70; 5:47-49; 7:28; 33:64-68; 6:123; 6:144; 49:16; 39:23; 45:6; 31:6; 52:33-34; 31:20; 6:116; 2:170; 69:38-49; 81:15-19; 51:7-11]

Allah in Quran 69:43-47 makes crystal clear that all preserved Wahi sent to Prophet Muhammad PBUH is contained only in Quran. So there is no any preserved Wahi out side the Quran. Therefore, it is clearly proved from verse 69:44, that preserved Wahi is only one type that is contained in Quran [Not of two types matloo or

Jali, and ghair matloo or Khafi]. Verse # 69:44 makes it clear as sun on sky that Personal sayings of Prophet are NOT WAHI. Allah in these verses clearly says, that If Prophet Muhammad had mixed his own sayings in Quran, we could have seized him from his right hand & could have cut his life-vein. This also proves that Imam Shafi was among the biggest Mushriks and enemies of Allah who first time in history misguided people by saying that Wahi is of two types, one in Quran [matloo or Jali] and one out side the Quran [ghair matloo or Khafi]. Besides Hadith books fabricated by Persian Imams 250 years after Prophet in the name of Prophet have hundreds of thousands ridiculous errors and contradictions, and we all know that any error or contradiction in Kalam-Allah [Wahi] is IMPOSSIBLE.

NOBLE QURAN IS THE BEST HADITH OF ALLAH [39:23] & also ONLY THE authentic hadith of Prophet [69:40-46]. So

when you follow Quran, its mean you are following both,
Allah and Prophet

Maulana Aslam Jairajpuri (1882-1955) – A distinguished scholar of his time and professor of Arabic and Persian at Aligarh University and Jamia Millia Islamia University said:

“When Allah showed me the facts of Qur’an at that point I came to know the position of hadith in Qur’an, which is history of Islam. To consider the hadith as Islam is not correct. If they were in Islam, then prophet Muhammad PBUH would also have left a written manuscript of these, like he did in case of Qur’an. For Islam, Qur’an is enough which is a complete book and in which Islam has been finalized.”

ImamShafi.png?height=275&width=400

Imam Shafi'i; Among the Top most criminals of Islam

Imam Naafe' said, "Imam Shafi'i committed the most grievous crime, calling Hadith as another form of revelation. He equated Hadith with Wahi" (Reference: Tahqiq-il-Mazahib).

When we see list of Criminals of Islam who harmed Islam in 1400 years under the labels of Imam or Fiqih or hadiths compiler [Mohaddith] or Scholar; we find name of Imam Shafi at the top of list. No one has done more harm to Islam than this disciple of Iblees. He was the first who with the support of Pro-Persian Government of Abbasids, equated gossip & hearsay of general public and monaafiks [labeled as hadith and sunna] with Wahi of Noble Quran & diverted majority of Jaahil Mullahs & their brainless blindly-following fanatic pets from the path of Rehman toward path of Shatan Iblees, the path of Kufar and shirk. Evil work of this Shatan later lead to the biggest attack on Noble Quran called "Doctrine of Abrogation" that opened big door to declare any verse of Quran ABROGATED to which fabricated hadiths contradict. Please read in detail our note in this page about the Lie of Abrogation.

Despite Quran makes clear in 69:40-47 that Personal sayings of Prophet were not wahi. Besides, Prophet & 4 guided Caliphs strictly forbad writing of even the real sayings of Prophet. Abu Bakar, Umar Khattab, Ali ibne Abu Talib burned even al the real written sayings of prophet where ever they found so that Umma should follow only the BOOK that was given to Prophet by Allah. References are given at the beginning of this page.

When we see limitless height of his crime; then for sure this disciple of Iblees will be burning in Hell if Ghafoor-ur-Raheem had not pardoned this Shatan. Quran explains itself & Quran is absolutely not in need of the CRAP that Imams, Scholars, Mullahs, Muftis, and retarded Faqihs like Shatan Shafi has written. For the sake of argument, even if we say that Shafi has also done some good works; but even if he has done some works, his Crime discussed above is so lofty that it offsets his all other good works if he did any. He defaced the foundations of Islam

“Imam Shafi’i and Imam Malik were sodomites and catamites” [Said by "Maulana" Yousuf Islahi of DEOBAND],

According to Allama Khatib Baghdadi, ‘Imam’ Malik and ‘Imam’ Shafi’i used to have unnatural (rectal intercourse) relationship with their wives quoting, “Your wives are your tilths.” (Gharaib Fil Tahqiqil Mazahib).

Abu Hanifa said, “Be the curse of Allah on those who call themselves Imams; Imam Malik, Shafii and Jafar Saadiq were deceitful liars and sodomites. (Ref: Tahqiq-il-Mazahib)

When Quran says “Your wives are your tilths” [Agriculture: the act or process of tilling land]; that never mean to do rectal intercourse with wives because Nation of Prophet Lut (Loot) was destroyed as they used to do rectal intercourse. Then how Quran can allow rectal intercourse with wives and forbids with boys? If Evildoers of Nation of Lut had to do rectal intercourse with women

too then Prophet Lut was not in need of to advise evildoers that you marry daughters of nation instead of committing that evil act. "Your wives are your tilths" mean simply that husband can do intercourse with wife in any shape/style, up down, left, right etc. but intercourse will be in that part of woman from where child takes birth. When land is cultivated, it gives you crops and when wife is cultivated properly by husband, it too gives you crops=Children. How will one get that crop if he does rectal intercourse? In Quran matters are crystal clear and a person with basic common sense can know the truth of Quran but why then so simple truth was not understood by sodomites Shafi and Malik? Answer is, that either both of them were big Jaahils or were hypocrites/Monaafiks. At least one charge is true. Big truth is, that vast majority of these Imams and Mullahs of past were much more ignorant and jaahil than even the evil Mullahs of today but Jaahil fanatics has habit to idolize majority of oldies even if that majority of oldies were disciples of Iblees and this disease is well rooted in the blood of followers of one sect called Salafi. Moreover, just note also name of Imam Malik above too. How one can trust his book "Mowatta" when his author

was a filthy sodomite? Like Hadith books of Persian Zoroastrian Imams, Small Book of Malik is also full of fabricated lies. In this page, we have also told that Umar Khattab and Aisha RA declared Abu Huraira a beggar, fraud and a thief. But this thief is THE BIGGEST CONTIBUTER of Hadith Books that were forged by Persian imams. So how one sensible person will believe on the narrations of a thief? Just use common sense. It is very simple to understand the truth.

“Imam Shafi’l, being a great forger, is totally unreliable”.
(Reference: Imam Yahya Bin Moin in Jama’ Bayanul ‘Ilm)

Paul_of_Islam.png

Now please read below what Allah says in Quran about Quran and Prophet Muhammad [Peace be upon him]

In verse 10:15, Allah says “When Our Messages are conveyed to them in all clarity, those who hope not that they are destined to meet with Us, (want to strike a deal with the Messenger). They say, “Bring us a Qur’an other than this or make some changes in it.” Say (O Prophet), “It is not conceivable that I would alter it myself. I only

follow what is revealed to me. I cannot disobey my Lord, for I fear the retribution of a Mighty Day.”

(Note: It is crystal Clear from this verse 10:15 again that when Allah/Quran talks about Wahi/Revelations, it is wahi of Quran only. Also read 69:40-47 & 72:1 & also read Sura Abasa to reconform this point. So It is very clear that Imam Shafi was the biggest Criminal of Islam who first time equated Quranic Wahi with so called Hadiths→ Hearsay & Gossip of hypocrites and general public & Persian Zoroastrian Imams)

-Allah has taken the responsibility to explain it {the Quran} (75:19).

-Allah says He has revealed the Quran and He will protect it (15:9).

-Allah’s revelation to the Prophet (PBUH) is written in the Quran (6:19). There is no verse in the Quran which says that Allah’s revelation to the Prophet (PBUH) is outside the Quran.

- Say, “I am not different from other messengers. I have no idea what will happen to me or to you. I only follow

what is revealed [Wahi of Quran] to me. I am no more than a plain warner.” (46:9)

- [O Prophet] Whether we show you what we promise them, or terminate your life before that, your sole mission is to deliver (the Message of Quran). It is us who will call them to account. (13:40)

-O Prophet, Say:.....I but follow what Wahi is revealed to me (Wahi of Quran).....Please refer to verses: 6:50 & 7:203, 46:9. 10:15, 10:109, 13:130, 18:110, 20:114, 75:16, 21:108, 29:45, 38:29, 38:70, 39:27, 39:55, 39:65, 41:6, 42:7, 42:52, 72:1

-The Prophet (PBUH) was asked to obey the revelation sent down on him (10:109).

-He was asked to follow the Quran (75:18).

-(O Prophet) Verily, you cannot guide aright everyone you love, but it is Allah Who guides him who wishes to be guided. And He is best Aware of those who will be rightly guided. [28:56] Also read (2:272), (4:88), (10:99-100)

-Know, then, that Sublimely Exalted is Allah, the Ultimate Sovereign, the Ultimate Truth. (O Prophet) Hasten not in the learning and implementation of the Message of the

Qur'an before a particular revelation to you is completed. These Messages given to you shall be established in stages, but always say, "My Lord! Increase me in knowledge." (75:16).

-Allah required the Prophet (PBUH) to follow the blessed Book sent down on him (6:155).

-The Prophet (PBUH) used to judge matters according to the revelation sent down on him (5:48).

-Those who do not judge matters according to what Allah has revealed (Quran) are Kaafirs (Quran 5:44).

-The Quran encompasses the message of earlier revelations (5:48). So, the truth of earlier revelations is now contained in the Quran.

CallinArrow.png?height=144&width=200

-Allah has called the Quran "Tibyaanan li Kulli Shaiyin" (16:89)". This means it explains everything.

-The Prophet (PBUH) was required to solve all human differences through the Quran (16:64).

-The Prophet (PBUH) was required to admonish & remind people through the Quran (50:45).

Quran_16_89.png

“For, one Day, We shall raise from every community a leading witness against them from among themselves. And We shall call you (O Prophet) to testify regarding those whom your Message has reached. The Book We have revealed to you explains everything; a Guide and Grace and the glad tiding for Muslims. Quran 16:89

To sum up:

So our dears, know that, what Quran makes Fard /mandatory is Mandatory. If you find any practice or any man-made ritual that Allah has not given in Noble Quran, but still we see fanatics doing it, then it has to do nothing with Islam. It was duty of all prophets to follow Books of

Allah and Prophet Muhammad for sure has followed that duty too. Allah says his Book Quran is complete, fully detailed & Protected. So our dears, If you follow the Quran, then you are following ,both, Allah & Prophet and you are REAL MUSLIM. But if you are following hadith books that Persian Zoroastrain Imams fabricated 300 years after the death of Prophet; then You are neither following Allah nor his last Prophet but then you are doing Kufer [read verse 5:44] & following counterfeited Persian brand of Islam that was forged during Abassids rule from year 750 to year 1258 A.D. (508 years).

Abbasids were Pro-Persian and Pro-Zoroastrian Caliphs. Even their mothers and wives and Tutors were Persian Zoroastrians. Their all Ministers were from Bramka Zoroastrian family. During that long Period pf 508 years, they fabricated millions of Hadiths in the name of our beloved Prophet and totally defaced Islam. Today majority is following that Persian-Zoroastrian brand of number-2 Islam. Persian's Millennia Zoroastrian empire were decomposed by Muslim Generals. So in order to take revenge for their defeat, Persians started all-out ideological war against Islam & fabricated millions of Matans of Hadiths with millions of fake chains of

narrations to distort Islam & to by-pass Quranic laws & to split ONE UMMA into countless sects. You are suggested to read SOURCE Page of this page at:
